

WIWA DUOMIX 333 PFP

In close cooperation with major material manufacturers, WIWA has developed plural component spraying equipment for passive fire protection applications.

REASONS TO CHOOSE WIWA:

- Over 300 DUOMIX systems in use successfully worldwide, under the toughest conditions.
- State-of-the-art technology Made in Germany.
- Highly qualified employees, agents and distributors worldwide for local sales and service.
- Commissioning and training at customers location or job site.
- Supply of spare parts and accessories readily available.
- Competent customer service in the local language.
- Safe and easy system operation.
- Individual modifications possible due to modular concept.
- Top quality and service at a fair price.
- Ratio and pressure control.

SYSTEM SPECIFICATIONS

- Mixing ratio: Exchangeable
Pressure ratio: from 58:1 to 87:1
Output per cycle: from 230 to 345 cm³
(7,6 to 11,5 fl.oz.)
Air consumption: 5000 l/min.
(177 scfm)
Electrical supply: 400V
or at customers request
Approx. weight: 1100 kg
(2425 lbs)
Dimensions (m) 2.56 x 1.3 x 1.98
101" x 51" x 78"
(L x W x H)
Other configurations available.

WIWA – the best solution for the application of passive fire protection material.

WIWA DUOMIX 333 PFP Twin feed unit

WIWA HERKULES PFP Single feed unit

ECONOMICAL AND ENVIRONMENTALLY FRIENDLY

Typical systems include:

- Numerous temperature reading points displayed digitally.
- Heated, insulated pressure tanks available in a variety of sizes.
- Electrical and/or pneumatic agitators.
- Multi-purpose frame, easy to transport.
- Pressure and metering monitor providing automatic shutdown.
- Material feed with shovel pumps (different sizes available).
- Shovel pumps mounted on pneumatic rams.
- Optical level control for the pressure tanks with automatic refill.

WIWA developed this single feed HERKULES PFP unit for the use for smaller areas and for repairs.

SYSTEM SPECIFICATIONS

Pressure ratio: 75:1

Output per cycle: 225 cm³
(9,2 fl.oz.)

Approx. weight: 230 kg
(507 lbs)

Wide variety of accessories available.
