Dear Mr. Wold,

CHARTEK PLURAL SPRAY EQUIPMENT

Further to our visit to WIWA Wilhelm Wagner GmbH & Co. KG in Lahnu, Germany, on 29 January 2004, this letter is to confirm that the spray demonstration of WIWA Duomix 333PFP was successful and we acknowledge that the equipment is suitable for the application of Chartek fireproofing materials. Consequently, WIWA are at liberty to sell this equipment to Chartek Qualified Applicators. Please note that Chartek fireproofing material are not sold to application contractors unless they have qualified their capabilities with International Coatings.

Upon sale of the initial units for Chartek application, International will review the equipment in application as part of our normal Field Service Audit Programme.

Yours sincerely,

**JOHN DUNK**  
Worldwide Director, Fire & Insulation Products

**CHARTEK®**  
FIREPROOFING
